A Note from Pastor Brendan...

Pastor Brendan Hock: bhock@halifaxgmc.org / 717-896-8092 x 101 "Christ Centered | Community Driven."

A grandmother is watching her grandchild play on the beach when a huge wave comes along and takes him out to sea. She cries out, "Please God, save my only grandson. I beg of you, bring him back." Suddenly a big wave comes and washes the boy back onto the beach, good as new. She looks up to heaven and says: "He had a hat!"

That's gratitude for you.

Have you noticed that some people just can't be satisfied? Some people - and I'm talking about you and me, not someone else - have a hard time expressing gratitude. Or even feeling it. Stephen Post, a medical school professor of bioethics, created a research group called the Institute for Research on Unlimited Love, dedicated to testing and measuring the effects of love, gratitude, and other positive caring emotions in human life. Dr. Post's research has discovered that spending 15 minutes a day focused on things you're grateful for can have the following effects on our physical health:

1. It increases your body's natural antibodies.
2. It increases mental capacity and reduces vulnerability to depression.
3. It creates a physiological state of "resonance", improving your blood pressure and heart rate.

That's gratitude for you.

It not only lifts up the recipient, it also gives life to the one expressing it. This is why we're told time and time again in scripture to give thanks: A thankful heart puts us in right alignment with God and one another. Paul wrote... *"And always be thankful. Let the message about Christ, in all its richness, fill your lives. Teach and counsel each other with all the wisdom he gives. Sing psalms and hymns and spiritual songs to God with thankful hearts. And whatever you do or say, do it as a representative of the Lord Jesus, giving thanks through him to God the Father."* (Colossians 3:15-17)

There. That's gratitude for you.

Have a Blessed Thanksgiving!!

Pastor Brendan

ADULT DISCIPLESHIP UPDATE

Pastor of Family Ministry: Jesse Funk—jfunk@halifaxgmc.org | 717-896-8092, x 102

Hello all!

We just wrapped up another successful Mens' Ministry Barbecue, thank you to all who attended and all who assisted with preparation! It was a great evening of fellowship, food, and football. Moving forward, we are considering having quarterly Mens' Ministry Barbecues in place of the previous Mens' Ministry breakfasts.

We are looking to start an informal, in-house dartball league this upcoming January and advertisement for it will begin very soon. The Mens' ministry planning team is still discussing details such as length of season and how to best accommodate the greatest number of potential players, so please let us know how we can plan out this event for maximum participation and enjoyment! If you have any interest in joining the mens' ministry planning team, please reach out to myself or Rick Stence and we'd be happy to speak to you!

We continue to have a very healthy and broad range of small groups and Sunday schools to offer throughout the fall season! Please reach out to me if you would still like to get plugged in somewhere, or if you have any interest in leading a study of your own (or co-leading with someone else).

As we've been walking through the book of Daniel together, I hope you are encouraged by the possibilities associated with Daniel's faithfulness. We are not blessed on account of the fruit, primarily, but we are blessed on account of our obedience to God's call on our lives. I pray for a very enjoyable Thanksgiving season to all of you!

- Pastor Jesse

STEWARDSHIP UPDATE

The Stewardship Committee would like to celebrate the generous giving of our church family during the month of November. Thank you for being good stewards of the resources God has blessed you with- whether it be your time, talents, or finances. It certainly has been a blessing to see how God uses the gifts He has bestowed to each of us to be an encouragement to others! Did you know we have an average of 101 volunteers who serve HCC each week? As we prepare to move into 2025, we invite you to prayerfully consider your support of HCC and its ministries. There is a commitment card included within this newsletter for those who feel led to complete it.
