A Note from Pastor Brendan...

Pastor Brendan Hock: bhock@halifaxgmc.org / 717-896-8092 x 101 "Christ Centered | Community Driven."

A survey published by the Barna Group demonstrated that most American Christians don't consider themselves to be holy. The report states:

- 76% believe that it is possible for someone to become holy regardless of their past.
- 55% said that they knew someone they considered to be holy.
- 29% consider themselves to be holy.

It appears that believers are more convinced of their connection to their old nature than they are to their connection to their new nature. They're more aware of their acts of sinfulness than they are of their acts of righteousness. They're more aware of their failures than they are of their successes.

I suppose this makes sense. In the journey toward holiness, the ugliness of sin will stick out more, like a smudge on an otherwise beautiful painting. It is this awareness of sin that empowers us to fight it, reject it, and abandon it. But let's not let ourselves be too aware of sin -- not in the sense that it defines us. Though we struggle with the old nature, we must remember that who we really are is defined by the gift of grace that God has lavished upon us. Hebrews says we have made holy through the sacrifice of Jesus Christ (Hebrews 10:10) and through this sacrifice we are being made holy. (Hebrews 10:14)

The first reference describes our position: God declares us holy. The second reference describes our performance: God is conforming us into the image of Christ.

For this reason we must learn to see ourselves as God sees us: New creatures, created in Christ to become the righteousness of God. (2 Corinthians 5:21) Your struggles with sin -- the fact that sinful tendencies frustrate you -- are an indication of what God has already done in your life and where He is taking you today.

I love you all,

Pastor Brendan Hock

CHURCH CONFERENCE

Join us for this annual meeting of the Church as we celebrate, reflect, and vision for the future ministry of 2025.

DATE: Thursday, November 14, 2024

TIME: 6:30PM

LOCATION: HCC Sanctuary

Rev. Eugene Liddick - Presiding Elder of the Harrisburg Region, will be presiding over our Church Conference.

GMC GENERAL CONFERENCE

The Convening General Conference of the Global Methodist Church - the very first meeting of the new denomination at the global level - was held September 20th-26th in San Jose, Costa Rica. The conference theme, "So the World Will Know," encapsulates the core mission of the Global Methodist Church.

Inspired by Jesus' prayer in John 17, this theme calls on the GM Church to share the transformative message of God's love, salvation, grace, and forgiveness with the world - to make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly.

The conference provided Worship, Missions training, and Visioning of our life together as a Methodist movement. This included voting on petitions regarding our organizational structure and discussing the role of Bishops and Conference Superintendents within the GMC, and much more. The conference was livestreamed, and it was heartwarming to see this movement of God rise up.

On more than one occasion I was moved to tears as I watched the presence of God settle down on that convention center in San Jose. At the time of this writing, the Conference has not yet concluded so I look forward to providing updates in our next newsletter.

In the meantime, let us continue to pray...*Heavenly Father, please let loose your Spirit to move the Global Methodist Church in the direction you desire, so that we can make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly. Please pour out your grace on each participant so they can experience the unity of the body of Jesus Christ to His glory and for the growth of the Kingdom of God here on earth. We pray this in the powerful name of Jesus. Amen.*

THE CALL OF BIBLICAL STEWARDSHIP

Tithing is an important practice for the people of Halifax Community Church and plays a crucial role in the life of the church and its mission. In Scripture, believers are invited to give 10% of their income to help sustain and expand Christian ministry and enable it to make a meaningful impact in the community and beyond. (*Leviticus 27:30*)

These gifts are vital for providing a welcoming and functional environment where people can worship, learn, serve, and grow in their faith. By giving in a spirit of generosity, tithing also strengthens the sense of community and a shared purpose within the congregation. When we contribute of our resources, we are investing in the collective mission of the church and affirming our commitment to its God-given vision, Bible-based goals, & values. (*Proverbs 3:9*)

Lastly, tithing is also a spiritual practice that reflects a commitment to putting faith into action. It serves as a reminder of the importance of generosity and stewardship, aligning financial priorities with spiritual values. By giving in this way, we engage in a form of worship that acknowledges the role of God in our lives and demonstrates trust in God's provision. (*1 Corinthians 9:7*)

We are blessed to see heart-warming, life changing impact in the lives of people who are touched by the ongoing ministries of HCC. Thank you for all you are doing to make a difference for Christ in our valley!!

Have you ever wondered what it was like for the women of Christmas? Meet the women who played pivotal roles in Christ's birth! Elizabeth is barren, yet trusts God's promise. Mary is a virgin, but says yes when God asks her to bear his Son. And prophetess Anna proclaims the Messiah's arrival. Unpacking each verse from the Gospel of Luke, Higgs illuminates their love, faithfulness, and obedience to God.

We are requesting sign-ups so we can get the books in advance.

ADULT DISCIPLESHIP UPDATE

Pastor of Family Ministry: Jesse Funk—jfunk@halifaxgmc.org | 717-896-8092, x 102

Hello everyone!

The apostle Peter writes in 1st Peter that we “like living stones are being built up as a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ.” This is a monumental task that we thankfully are not asked to accomplish alone. It is our goal in adult discipleship to provide the space, the wisdom, and the support to be built into what God is doing in Halifax and in His church as a whole! Please consider the events that you see popping up in your bulletin in the near future!

With our fall season of ministry underway, I would like to encourage anyone who may have missed the sign-up sheets over the past few weeks to still consider joining a Sunday school class or mid-week small group. Feel free to give me a call or flag me down at church so we can discuss what group may be the best fit for you!

There will be a Mens’ Ministry Barbecue on October 19th from 5pm-9pm at the Youth Center. Food will be provided (but please consider bringing a side or dessert), and there will also be yard games such as Dartball and Cornhole. Please consider joining us for a night of fellowship, food, and growing in the Lord!

Our Adult discipleship board is meeting quarterly and currently discussing how to best serve our small groups and Bible studies as shepherds, as well as how and when to appoint leaders within our groups to branch out and start their own small group/Bible study. If you have an interest in this area, please reach out to me!

THANK YOU!

I want to thank the Halifax Community Church leadership and congregation for my 25th celebration worship service. It was a beautiful service and reception that I will always remember. I can't believe it's been 25 years serving with you. I love being able to serve God with music, and Halifax welcomed me with open arms. You made me feel at home from the start and I knew this is where God wanted me to be. Your support, the friendships I've made, and the awesome music ministry team that surrounds me has been a true blessing. My heart overflows with joy for all the love that was and has been shown to me. I thank you for the beautiful cutting board and the gift card to Sight and Sound from the church and for all the cards of appreciation that I received. My hope is to continue serving God and this congregation for as long as I am able. Probably not another 25 years, but we'll see what God has in store! Praise the Lord at all times!! - Carol Bostdorf
